## GENERAL INSTRUCTIONS

1. Confirm that all panels (26) are in the package before assembling.
2. Check the white sticker on each panel for the labelling (A-Z).
3. Ensure that the panels are laid on a non-abrasive surface when assembling.
4. Note that all panel connections are done using the system described below.

### PANEL CONNECTION AND FASTENING

#### For an easy and enjoyable assembly:

Please read the assembly chart completely. Remove all the parts from the carton box and place them on a smooth surface. Make sure you have exactly all the parts and tools listed in the chart. Start assembling the products following the steps on the chart. Please keep the assembly chart for future reference.

**Prevent furniture tip-over accidents**

**Secure it! Furniture must be securely attached to the wall. Use the tip-over restraint provided with the product and the right hardware for your wall type. Follow our wall anchoring guide for help.**

**Never let children climb or hang on doors or shelves.**

**STEP 10**
